

Career Objective

Passionate about AI and Data Science, aiming to apply strong programming, problem-solving, and data visualization skills to real-world challenges. Seeking an internship to grow as a collaborative and impact-driven tech professional

Area of Interest

- **Data Science** (Big Data, Data Visualization, Machine Learning, Deep Learning, NLP)
- **Data Analysis** (Data Visualization , Data handling, Statistics , Business Analysis (Power Bi))

Education

Bachelor of Technology | 2023-2027

Artificial Intelligence and Data Science

Dr.Mahalingam College of Engineering and Technology, Pollachi | Anna University| CGPA:8.35*

Higher Secondary Certificate | 2023

Vidya Nethrra Matriculation Higher Secondary School , Pollachi | State Board | 82%

Secondary School Leaving Certificate | 2021

Vidya Nethrra Matriculation Higher Secondary School , Pollachi | State Board

Skills

Technical Skills

- **Programming Languages:** Java, Python,C
- **Database Management:** MySQL
- **Data Visualization:** Matplotlib ,PowerBI, Excel
- **Data Handling :** Numpy, Pandas
- **Version Control:** Git
- **Modules:** Scikit-learn ,Pytorch ,Tensorflow

Soft Skills

- Communication
- Problem-Solving
- Collaborative
- Time Management
- Project Management

Projects

- 1. Movie Recommendation Engine** Jan, 2025
 - Built a machine learning model to recommend movies using collaborative filtering
- 2. Speech performance evaluation and analysis kernel** Aug, 2025 – Nov, 2025
 - Collecting speech data through python modules and providing AI-powered feedback based on it
- 3. Finger print-based blood group detection** Apr, 2026
 - Developed a deep learning model to predict human blood groups from fingerprint images

Internship

- Data Science Intern - Segolsys, Coimbatore** June, 2025
- Actively engaged in learning and applying key concepts of data science, including data cleaning, data visualization, statistical analysis, and worked with ML and DL models, Python (Pandas, NumPy), and Power BI

Certifications

- Certified for completing a course on Public Speaking by NPTEL Jan 2024
- Certified for attending a workshop on Artificial Intelligence & Microsoft Power BI , Computer vision ,Fullstack development, Exploratory data analysis , Machinelearning, Generative AI by our college department Mar 2024
- Certified for attending a workshop on Generative-AI conducted by Amypro June 2025

Extracurricular Activities

- Volunteered as a member of National Service Scheme Sep 2023 – Present
- Volunteered at Invictus - Department Association, managing Office bearer and conducted various activities including Hackathons and workshop for students Aug 2024 – Jun 2025

Achievement

- **TCS National Qualifier Test (NQT)** – Achieved 81.77% overall score July 2026
